

**AZTEC SHOPS, LTD.
BOARD OF DIRECTORS**

PRICING POLICY

The Board of Directors directs Aztec Shops management to price all goods and services, in a manner that maintains a fair and equitable distribution of all costs. Bookstore and food services shall be operated in as cost effective a manner as is consistent with providing the campus community with service that is reasonable and affordable recognizing the special requirements created by peak periods of customer demand. Pricing shall reflect equity and fairness. It may be necessary to establish extra charges for services that are of an unusual or exceptional nature. Prices and margins shall be periodically adjusted to achieve the expectations adopted annually by the Board in the operating budget.
